The young ladies left in high glee and are expecting a great time.

WHITE MAN WANTED

In Elkton Arrested Here Saturday.

Garfield Williams, white, was arrested by officers Broderick and Claxton last Saturday. Williams was in hiding on Durrett avenue. He was acquainted with Broderick and knew that if Broderick saw him he would be taken into custody. Broderick and Claxton were out in that section of the city and walked right upon their man. He had been indicted by the Todd county grand jury for malicious shooting. The sheriff of Todd county was notified of the arrests and deputy sheriff Lucian Lindsay came down and carried the prisoner to Elkton on the 5:18 train.

GOES TO CUBA.

Hopkinsville Man Selected From List of Forty.

Mr. Lucian M. Cayce, of this city, who is traveling for a Toledo, Ohio, wagon company, with headquarters in Memphis, Tenn., has been selected from a list of forty of the company's salesmen to make a trip to Cuba. This is quite an honor worthily bestowed. Mr. Cayce will leave New Orleans for Havana on the Southern Pacific Steamship "Excelsior" tomorrow and will be absent about two months. His family will remain in Memphis while he is on the trip.

Neighbors Got Fooled.

"I was literally coughing myself to death, and had become too weak to leave my bed; and neighbors predicted that I would never leave it alive; but they got fooled, for thanks be to God, I was induced to try Dr. King's New Discovery. It took just four one dollar bottles to completely cure the cough and restore me to good sound health," writes Mrs. Eva Uncapher, of Grovertown, Stark Co., Ind. This King of cough and cold cures, and healer of throat and lungs, is guaranteed by R. C. HARDWICK Druggist, 50c, and \$1.00 Trial bottle free.

BROOKS CRAWLEY

Prominent Citizen of Trigg Passes Away.

Mr. A. B. Crawley, a well known citizen of Trigg County, died last Wednesday at his home near Cadiz, after a lingering illness, of dropsy, aged 71 years. He was a native of Virginia, but moved to Kentucky when a young man.

Mr. Crawley was a Confederate veteran, belonging to company G, 8th Kentucky regiment, and served through the war. He is survived by seven children, two of them, T. B. and Will Crawley, are of this city.

DEAD DRUNK

Was Si Kennedy and Lying Across R. R. Track.

The police probably saved a man from sudden death Saturday night when they arrested Si Kennedy.

Kennedy was wanted by the authorities at Elkton for fines assessed against him to the amount of \$100. When the Elkton authorities learned that the negro had left the county they notified Chief Roper and he had his men on the lookout for the absconder.

When they found him out near First street he was lying across the L. & N. track, drunk as a loon. Had a train passed while he was in that position he would have been cut all to pieces and his friends would have never known the manner of his death.

He was taken care of for the night and the officers at Elkton notified of his arrest.

Hunting for Trouble.

"I've lived in California 20 years, and am still hunting for trouble in the way of burns, sores, wounds, boils, cuts, sprains, or a case of piles that Bucklen's Arnica Salve won't cure," writes Charles Walters, of Alleghany, Sierra Co. No use hunting, Mr. Walters; it cures every case. Guaranteed by R. C. Hardwick's drug store, 25c.

IMPORTANT ELECTION

Of the Tobacco Growers' Association Will Be Held Sept. 7.

TO CHOOSE OFFICERS.

Meetings to be Held in Every Precinct in the District.

The first Saturday in September will be an important one to the members of the Planters' Protective Association, for at 2 o'clock p. m. of that day the members of the organization all over the Black Patch will meet at their respective voting precincts and elect county committeemen from each district.

On the next Saturday, Sept. 14, it will be the duty of these committeemen to meet at the court house of their respective counties and elect a chairman for the county committee, who, by virtue of his office, becomes a member of the executive committee for the entire dark tobacco district.

It has not yet been announced how the officers of the association, such as president, advisory board, secretary, treasurer, etc., will be elected this year. Heretofore this election has taken place at the big annual reunion at Guthrie, but now that this has been called off some other plan must be adopted. It is the general opinion that at the precinct meetings which will be held Sept. 7, the members of the association will instruct the committeemen how to vote.

Rising From the Grave.

A prominent manufacturer, Wm. A. Fertilizer, of Lucuma, N. Y., relates a most remarkable experience. He says: "After taking less than three bottles of Electric Bitters, I feel like one rising from the grave. My trouble is Bright's disease, in the Diabetes stage. I fully believe Electric Bitters will cure me permanently, for it has already stopped the liver and bladder complications which have troubled me for years." Guaranteed at R. C. Hardwick's druggist, Price 50c.

The Athenaeum.

The Athenaeum will resume its monthly meetings on Sept. 5 with the following gentlemen on the program: Prof. H. Clay Smith, Mr. Ira L. Smith, Dr. R. L. Woodard.
